Course Description

The panelists will discuss the elimination of the exemption for qualified performance-based compensation, and the expansion of the scope of individuals who may qualify as covered employees, under Section 162(m). The panelists will also discuss the enactment of Section 83(i), which under certain circumstances allows holders of stock options and RSUs to defer the income taxes otherwise triggered by the receipt of shares under such awards.

CPE & CLE Compliance

Future Tax Leaders' CPE and CLE courses are designed to comply with Colorado State Board of Accountancy and NASBA CPE and Colorado Supreme Court CLE standards and the provider requirements outlined in sections 88.1 and 88.2 of the California Board of Accountancy Regulations. CPE and CLE courses are based on 50-minute credit hours. Participants must attend at least 50 minutes of a particular course to receive one (1) credit in that course. Participants are encouraged to confirm eligibility compliance with their jurisdiction. CLE hours represent the hours applied for and anticipated.
